# KAMUY LUMINA

AN ENCHANTED NIGHT WALK AT LAKE AKAN  
Coming to Lake Akan in July 2019 !

KAMUY LUMINA is an enchanted multimedia night walk experience that will take visitors on an interactive journey to the land of Kamuy (Ainu gods) from the lakeside forests of Akan. Guided by an illuminated "Rhythm Stick", visitors will go on a journey with an endearing little Jay bird to deliver an important message from an owl, which is the village guardian god, to the Kamuy. Using lighting effects, soundscapes and projections, this unique interactive experience will highlight the importance of coexistence with nature through the mythology of the Ainu, the indigenous people of Hokkaido.
