### Hello Kitty Land Tokyo wants to go ahead with its 30-year anniversary party aiming for support through crowdfunding

Sanrio Puroland is hoping for backing from fans worldwide to be able to celebrate its 30-year anniversary despite the many challenges the theme park had to face through Covid-19. The entertainment company has created a crowdfunding platform appealing for donations to support the production cost of the special birthday event.

**Tokyo, Thursday 29<sup>th</sup> October, 2020** --- Sanrio Puroland, best known as Hello Kitty Land Tokyo, (<https://en.puroland.jp/>) will be celebrating its 30<sup>th</sup> anniversary with a special event on 7<sup>th</sup> December 2020.

The well-loved theme park which first opened its doors in 1990, has been giving joy to around 50 million visitors since its inception. Although the current worldwide epidemic has put a strain on the theme park's operations and greatly limited the range of live events, Hello Kitty Land Tokyo wants to go ahead with its plans to create a special birthday celebration and is looking for support from its fans and friends around the globe.

Sanrio Puroland has been very serious with their measures to contain infectious diseases. After five long months of complete closure, Hello Kitty Land Tokyo started a partial and careful reopening making limited tickets available only on lottery basis. And as from September the theme park has been turned into a reservation-only facility, i.e. entrance tickets have to be purchased online in advance of the visit. Hello Kitty Land Tokyo put many procedures in place to ensure both visitors' and staff's safety and comfort.

"It has been a challenging year and we had to adapt our entire programme and workings to meet the requirements of the times which has not been easy. But our mission to bring joyful energy to our visitors has not changed. We are still a unique place where people can connect with our lovable Sanrio characters and simply relax" explains Yuya Makizato of Sanrio Entertainment's Sales Department. "We had to re-evaluate our plans for the celebration of our 30<sup>th</sup> anniversary and after much thought decided to try to make the project happen through crowdfunding and with the support and cooperation of our Sanrio friends and followers."

Sanrio Puroland set up a crowdfunding site where sponsors are invited to support the anniversary event and choose the amount, they would like to donate which can start from as little as 1,000JPY (a little under 10USD). All sponsors will receive a special thank you gift (mostly in digital format) as a token of Hello Kitty Land Tokyo's gratitude. These will include especially designed digital certificates to acknowledge the support and thank you videos.
