

Letters from Nikko National Park

We will introduce you to the beautiful nature in Okunikko.
Listening birds chirping, take a deep breath in forest...They will give you a comfortable time.

Odashirogahara marshland

Fishing at Lake Yunoko

Takino jinja shrine

Zumi (Toringo crabapple)

Ryuzu Falls

Leaves changing colors day by day, and autumn is just around the corner.

● Feeling Autumn

At Ryuzu Falls, the trees began to turn color. Also in Odashirogahara marshland, the autumn grasses are spreading, and it is in the best time to see it. Although the deer walking in Yumoto-onsen area was still wear summer coat, the breeding season has begun. The sounds of rutting call can heard.

● Fishing at Lake Chuzenji and Lake Yunoko

Trout fishing season of Lake Chuzenji ended September 19th, and since then it has started to smelt fishing. You can enjoy fishing in Lake Yunoko and Yukawa river until the end of September.

● Information

◆ The trail closure has been lifted

The trail on the south coast of Lake Chuzenji was temporarily renovated and allowed to pass.

◆ Stronger COVID-19 Measures in Tochigi prefecture
