Shore fishing (Lake Chuzenji)

Thawing (Lake Yunoko)

No water flow (Kegon Falls)

● Nature

On April 1st, shore fishing at Lake Chuzenji began.
The scenery is different from usual due to the huge drought in Lake Chuzenji.

There are times when the water at Kegon Falls stops flowing.

● Information

On April 1st, most prefectural parking lots in the Okunikko area became toll parking lot.

Regular cars can use the parking lot for 500 yen per trip.

Some parking lots have not been completed in time, but it is likely that toll collection will begin without prior notice.
