

# Letters from Nikko National Park

We will introduce you to the beautiful nature in Okunikko.  
Listening birds chirping, take a deep breath in forest...They will give you a comfortable time.

## ● Nature

We took a walk around Mt. Nikko-shiranesan Ropeway summit station. In the Rock Garden, there were Hakusanfuuro (geranium), aconite, fortune bogorchid, and *Senecio cannabifolius*.

In August, hot days continued even in Yumoto Onsen, but on the lakeshore of Lake Yunoko, there were already signs of autumn in the air.

## ● Information

Mt. Hangetsu Observation Deck will undergo renovation work between September 1st and September 30th, and will be closed to visitors from September 2nd to September 13th.

*Mt. Hangetsu Observation Deck  
will be closed from Sep. 2nd to Sep. 13th*
