*1: Based on in-house research regarding establishments themed with characters and worlds from the Nintendo brand.

Mr. Shigeru Miyamoto, J.L. Bonnier, Donkey Kong led guests through a tunnel at the entrance of the new area, and they excitedly entered the world's first Donkey Kong Country. The Guests were super impressed by the jungle that stretched out in front of them, just like the world of "Donkey Kong," and were excited about the prospect of a wild adventure. They also experienced the new Mine-Cart Madness, a thrilling family coaster as well as enjoyed the themed food and shopping.

Both Mr. Shigeru Miyamoto and J.L. Bonnier spoke at the Grand Opening Ceremony.

Nintendo Co., Ltd. Representative and Fellow, Mr. Shigeru Miyamoto

The jungle beyond this tunnel is full of our passion which we worked hard together with Universal Studios Japan and the Universal Creative teams. There are many elements throughout the land where you can find gameplay and design from the world of Donkey Kong; such as a mine cart-themed coaster that is thrilling but enjoyable to children and an activity where you can meet Rambi the rhinoceros. I believe it is a land that can be enjoyed by the whole family.

The opening of this area with so many surprises and discoveries was possible through the strong partnership between Nintendo and Universal.

“Super Nintendo World” now includes the world of “Donkey Kong” in addition to the world of “Super Mario.” Please have a wonderful experience with your friends and family and create fun memories!

USJ LLC President and CEO, J.L. Bonnier

Today, as SUPER NINTENDO WORLD expands with the opening of the new Donkey Kong Country area, a new chapter begins for Universal Studios Japan. Beyond the tunnel are new experiences that will unleash your instincts. It has been eight years since we began working with Mr. Shigeru Miyamoto and Nintendo’s talented team. Launching SUPER NINTENDO WORLD from Japan has elevated Universal Studios Japan to new heights, and it’s thanks to the strong and invaluable partnership.
