

# Bus Location System

## Introduced for Shiga Kogen Shuttle Buses

Shiga Kogen Mountain Resort has introduced the “Bus Location System” (UNITRAND Co., Ltd.) to the Shiga Kogen Shuttle Bus (operated by Nagaden Bus Co., Ltd.) starting from the 2024-25 season.

This system will improve convenience for Shiga Kogen shuttle bus customers.

The current location and operation information of the shuttle buses can be checked almost in real time.

By scanning QR codes at bus stops in Shiga Kogen, passengers can check operation status and congestion.

Please check the details.
