

World Air-Sea Service Co., Ltd.

Launch of our inbound travel services and the establishment of our new English-language website catering to international travelers

World Air-Sea Service Co., Ltd. is pleased to announce the launch of our inbound travel services and the establishment of our new English-language website catering to international travelers.

<https://jpn.wastours.jp/>

Since our founding in 1971, we have provided high-quality travel services to destinations worldwide for over half a century. In 2015, we established our domestic travel brand "Nihon Tabi Hyakkei" (100 Scenic Travel Experiences of Japan). We are now extending this expertise to international visitors, committed to showcasing Japan's unique attractions and contributing to the development of inbound tourism.

We look forward to your continued support and cooperation.
