

New Spot in Okinawa, Japan
 "JUNGLIA OKINAWA," a large-scale theme park,
 grand open in northern Okinawa on Friday, July 25!
 International sales are now available through various reservation websites.

JUNGLIA OKINAWA, a large-scale theme park that will be the centerpiece of new tourism in the northern region of Okinawa, will open this summer on July 25. JUNGLIA OKINAWA will create a new tourist attraction that takes advantage of Okinawa's magnificent nature, and will create a new stay in northern Okinawa for both domestic and international travelers.

The Company Overview was announced at the end of January by Japan Entertainment Inc., the operating company. A total of 117 media outlets attended, and Prime Minister Shigeru Ishiba also sent out a message of expectation. The event has been reported by numerous media outlets in Japan and abroad, and is attracting more attention.

JUNGLIA OKINAWA, a new highlight of Okinawa's tourism, is now available for international ticket sales on Trip.com, Klook, and KKday. Enjoy the best of Okinawa this summer with JUNGLIA Okinawa!

【JUNGLIA OKINAWA Park and Attractions Overview】

JUNGLIA OKINAWA appears in the midst of the Yambaru jungle. The park covers a total area of approximately 60 hectares, and offers a variety of experiences that will make your trip to Okinawa the best, including attractions, entertainment, spa, restaurants, stores, and more.

ENTRANCE

At the entrance of the park, Guests will be greeted by a unique and magnificent symbolic tree that resembles a giant tree with a wide variety of plants of Okinawan origin. The majestic tree, with its life-like plants such as deigo, banyan, and yaeyama palm, and its trunk that looks as if it were real, gives the tree a unique presence. Blooming flowers that change with the seasons mark the beginning of an experience at the park that will leave you with special memories.

INFINITY TERRACE

The Entrance Village, where restaurants and stores are located, has an open-air terrace overlooking the entire park. The terrace is located at the highest point in the park's dynamic terrain, and offers a spectacular view of nature, including a balloon floating gracefully in the distance and a gigantic brachiosaurus. The view symbolizes the most exciting "Power Vacance!" which is the most exhilarating view of life.

ATTRACTION

At JUNGLIA OKINAWA, visitors can enjoy 22 attractions in the great outdoors that offer excitement and luxury not found in the city. This document introduces some of them. For other Attractions, please refer to the official Website of JUNGLIA.

DINOSAUR SAFARI

On the landrover through the savannah, meet the herbivorous dinosaurs that were thought to have become extinct, almost close enough to touch. Through the bumpy road into the dense jungle, the fearsome T-Rex suddenly attacks! Although desperately trying to escape, by pushing aside the tropical plants blocking your path, the ferocious T-Rex keeps coming at you again and again. The excitement never stops as you are thrown into unexpected event one after another from the moment you get into the landrover.

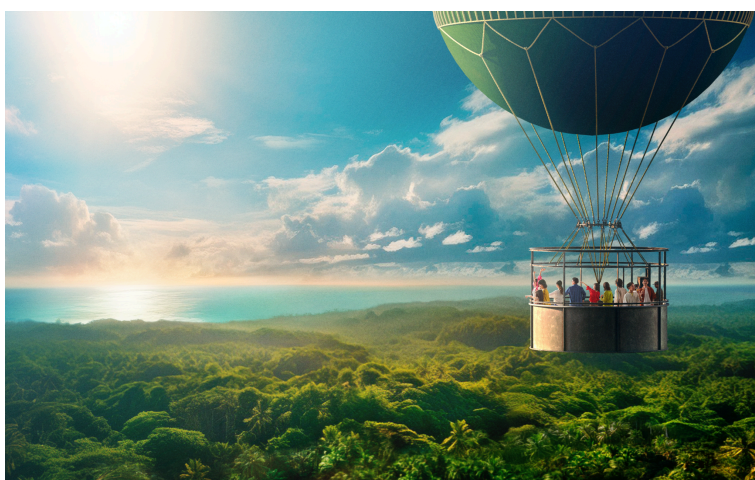

- Attractions area : Approx. 45,000 m²
- Experience time : Approx. 17 min
- Dinosaurs to encounter : 20

HORIZON BALLOON

The view from the giant balloon is a magnificent, unrivalled 360° panorama with the view of the lush and verdant green forest. As you gain altitude, the emerald green sea gradually appears, shining in the sunlight. As you relax in the gondola, sipping a glass of sparkling wine, you can enjoy the clear blue sky and the beautiful gradation sunset of pink to orange.

- Attractions Experience Time : 10 min

SPA JUNGLIA

The overwhelming deep green and the expansive blue sky. Gently sink into the infinity bath that reflects this spectacular view. Under the magnificent tropical sky, the luxury of melting into the chain of mountains of Yambaru and the forest area registered as a World Natural Heritage site. In the sophisticated tropical resort outdoor area, is a calcium bath and a sauna. Inside, you can enjoy a variety of healing experiences, including a cave bath and natural hot spring with skin beautifying effects.

FINDING DINOSAURS

This is a world where cute dinosaurs live. Your mission is to find the lost baby dinosaur. Be brave and go on into the jungle! Through the tunnel-like overgrown trees, cross the swaying suspension bridge, and drive the trolley yourself! The final challenge is a dark cave with a rough footing. Confront your pounding heart and overcome the many adventures that lie ahead as you search for the lost baby dinosaur!

- Attractions area : Approx. 8420m²
- Experience time : Approx. 14min
- Dinosaurs appearing : 7

BUGGY VOLTAGE

Climb aboard a full-fledged four-wheel buggy and head out on a jungle nature course that can be enjoyed by both children and adults. The lush tropical greenery fills your vision, and the sound of the refreshing tropical breeze mixes pleasantly with the light engine. Children can also drive, so why not give it a try! The one and only adventure, where you can hold the steering wheel and drive around under the Okinawan sky. Please note that there are age and height restrictions for driving.

PANORAMA DINING

The panoramic view of the magnificent green of Yambaru and the endless blue sky, from the full-length glass that extends to the high ceiling. The ever-changing scenery inspires you at every glance outside. The gradation of the sky, clouds and the setting sun. The overwhelming fireworks that color the tropical night sky. The many gourmet dishes made with Okinawan ingredients to enjoy in the stylish space are also part of the luxurious scenery. Furthermore, from the "floating" nest seat, an exceptional view overlooking the park. Enjoy an elegant time surrounded by nature.

SKY PHOENIX

Spread your arms wide like a phoenix and flap them vigorously. Below you, the massive nature of tropical forest spreads out. Cut through the wind and fly at high speed

through the endless tropical sky, your mind and body will feel refreshed! Fly over the valley of the jungle, with the freedom of a bird's wings.

DAYTIME ENTERTAINMENT

The shining sun of the tropics. The dazzling natural beauty of Okinawa. To the rising body temperatures, cool dance music and a splash of water! Both children and adults will be dancing to the music that will reach the vast blue sky and the magnificent green mountains. You've come all the way to a tropical resort, why not dance with the performers! The excitement increases as the water is sprayed up to the deep blue sky. Fire the water shooter to the sound, immerse yourself as if you are one of the performers to get soaked in the splash!

Other attractions include a stage with live music and acrobatic performances, a tram-type attraction that turns even the means of transportation around the vast park into entertainment and allows visitors to feel the winds of nature, and interactive indoor attractions based on motifs of Okinawan animals such as the "Yambaru Kui-na". The "excitement" and "luxury" of immersing oneself in real nature through unique experiences can be experienced throughout the entire day of the trip.
