

Discovering local sake demand with a token-operated dispenser!

## Token-Operated Sake Service Launches at THE KANAYA TERRACE Cafe Inside Tobu Nikko Station, Featuring Local Sake from Tochigi Prefecture

Enjoy the Taste of Tochigi Until the Very Last Moment Before Boarding Your

Tobu Railway Co., Ltd.

KANAYA HOTEL Co., Ltd.

Tobu Railway Co., Ltd. (headquartered in Sumida-ku, Tokyo) and Kanaya Hotel Co., Ltd. (headquartered in Nikko, Tochigi) will install a token-operated sake dispenser inside THE KANAYA TERRACE cafe, located inside Tobu Nikko Station. This new service, allowing customers to easily enjoy local Tochigi sake, will launch for a limited time beginning Friday, May 30, 2025. Through this service, customers, primarily those returning from Nikko to the Tokyo area, can enjoy the flavors of Tochigi as they wait for their train home.

THE KANAYA TERRACE cafe, located inside Tobu Nikko Station, offers a casual spot to enjoy the flavors of Kanaya Hotel. By launching local sake offerings, the cafe aims to not only deepen ties with communities along the railway line but also stimulate new demand and improve customer satisfaction.

By encouraging the casual enjoyment of local sake, the service will enhance the station's tourist amenities and promote the appeal of regional sake, ultimately contributing to the revitalization of communities along the railway line and strengthening the Tochigi brand.

Details can be found on the attached appendix.
