Food items and glow sticks designed to get you in the mood for a “night festival” such as “Summer Festival Goldfish Lemon Soda” and “Super!! Chocolate Banana Churritos” unveiled!

This summer, as we celebrate our 25th anniversary with a festive atmosphere, classic festival foods will be transformed into fun-filled “Oh! Matsuri” summer festival fare, featuring the unique playfulness of Universal Studios Japan. The lineup features a variety of playful menu items unique to the Park, such as the “Summer Festival Goldfish Lemon Soda”, a fizzy lemon soda topped with a vibrant goldfish that captures the excitement of a summer festival, and the “Super!! Chocolate Banana Churritos,” a twist on the classic summer festival treat, chocolate-covered bananas, transformed into churros.

What’s more, yakisoba—a summer festival food staple—has been transformed into a one-handed snack called the “Curry Naan!?” Yakisoba Dog,” featuring the same toppings of pickled red ginger and mayonnaise but paired with a curry-flavored naan. New additions include the “Strawberry Milk Cream Soda Smoothie” where you can enjoy the swirls of strawberry shaved ice and soda, as well as “Candied Apple: Apple Mousse” and “Water Balloon: Peach Jelly & Rare Cheese Mousse”, which transform memories of street food stalls into sweet treats.
