OSAKA AMAZING PASS 28-Hour Kansai International Airport (KIX) Edition
Launching on October 1, 2026

The Osaka Amazing Pass 28-Hour Kansai International Airport (KIX) Edition will be launched on **October 1, 2026**.

This new pass combines a one-way ticket from Kansai International Airport to central Osaka, unlimited rides on designated transportation services in the Osaka area, admission to participating attractions, and a range of special discounts and benefits.

Valid for 28 hours from the time of first use, the pass enables travelers arriving at Kansai International Airport in the afternoon or evening to explore Osaka efficiently from the day of arrival through the following day.

Combining convenient access from the airport to central Osaka with admission to some of Osaka's most popular attractions, the pass helps visitors make the most of their time in Osaka and enjoy a seamless travel experience.

■ Valid for 28 hours from activation. ■

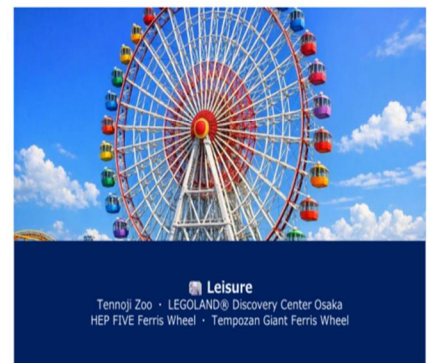

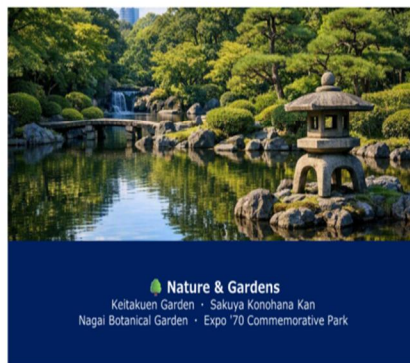

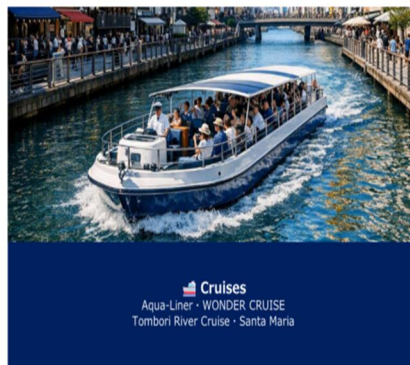

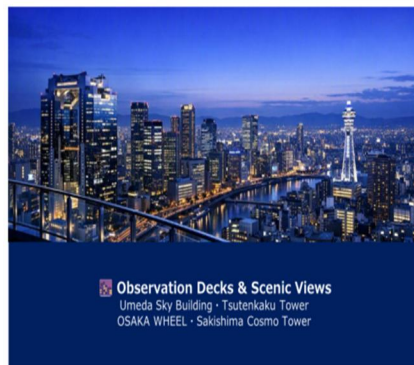

Because the pass is valid for 28 hours from first use, travelers arriving in the afternoon or evening can make effective use of their time on both the day of arrival and the following day.

Usage Examples

■ Explore Approximately 40 Popular Attractions across Osaka ■

Pass holders can enter a lot of attractions and receive special benefits at eligible attractions and shops. The pass makes it easy to efficiently visit Osaka's best-known sights, including Osaka Castle Museum, TSUTENKAKU TOWER, and the KUCHU TEIEN OBSERVATORY at UMEDA SKY BUILDING.
